hello!

Hello! I am Induwara Madushan, a portrait and wedding photographer based in
Colombo, Sri Lanka.

I'm deeply passionate about my craft and love capturing genuine, candid moments that tell real stories. My goal is to preserve the joy, emotion, laughter, and timeless beauty of your wedding day. I especially enjoy working with couples who can relax, be themselves, and truly enjoy each moment — that's when the magic happens.

engagements

Your wedding day is one of the most important days of your life. Making you feel comfortable and looking your best is what I strive for. Shooting an engagement session not only gives you a beautiful set of pictures to cherish, but also allows you to experience what your photography will be like on your wedding day.

I love capturing the “in-between” moments, the candid shots that bring out the raw emotions surrounding your special day. These are the moments that make up your story. So give me a shout. Let's be friends and get to know one another!

Over 300 wonderful couples have trusted me, Induwara Madushan, to capture the unforgettable memories of their wedding day.

With every wedding I photograph, I bring years of experience, calm energy, and a deep passion for storytelling. I know how to make you feel comfortable in front of the camera, even if you're nervous and I'm here to guide you every step of the way.

Fated Steps

With your hand in mine, I don't need directions—my heart already knows the way. Every step beside you feels like home, even on roads we've never walked. Your voice is my compass, your smile my sunrise guiding me through every day. We may wander far, but with you, I am never lost. In the map of forever, you are the path I choose again and again. Let the world blur behind us; all I see clearly is you.
